Thank you for shopping Progressive Grower!

We encourage you to submit your orders two weeks before pickup or ship date, to allow us time to process and pack your order. We reserve the right to pro-rate any items in short supply. Please pickup orders no later than the month after ordering. Orders left after 30 days will be subject to available supply and price.

Upon receiving your order please inspect it immediately and report any error, shortage or damage within 3 days. Progressive Grower is not responsible for shortages reported more than 3 days after receipt.

Returns: Saleable products may be returned with permission and may be subject to handling charges based on the condition and time of return for seasonal products. Expired products, special order, and non-stock items are not returnable.

Credit Invoices: In the case of overpayments, cancellations, shortages, returns, defective products, etc. credit invoices will be issued. Credit invoices not used will be mailed annually but after 15 months will be voided.

All prices are FOB West Wareham, MA or Riverhead, NY (except items with indicated FOB point) and are subject to change without notice.

Contact us for pricing discounts on large quantity orders.

Not responsible for typos.

2020 PRE-ORDER GUIDE

SEEDS

Progressive Grower offers a wide variety of vegetable, forage, corn and turf seed.
We are proud to offer seeds from FS, King's Agriseeds and Albert Lea Seeds.

Please call for availability and pricing.

Here is a list of types of seed we have:

Perennial Mixes	Small Grains
Alfalfa	Meadow Fescue
Clover	Summer Annuals
Festulolium	Tall Fescue
Cover Crop Mixes	AND MORE!

The following seeds need to be pre-ordered:

Seed Potatoes by February 28th
Onion Sets by March 15th
Asparagus Root by March 15th
Sweet Potato Slips by March 15th
Garlic By August 30th

Please inquire about additional varieties not shown here.

PROGRESSIVE GROWER
carries a vast amount of organic offerings.

We are proud dealers for

Albert Lea Seed, King's Agriseed, Fertrell
Westbridge, Neptune's Harvest, Krehers, Nature Safe,
Vermont Compost, Sungro, Pro-Mix to name a few.

*We are constantly adding to our inventory.
Please reach out to us if you don't see something
in our catalog.*

While we do our best to research all of our products for use by organic growers, it is the responsibility of the farmer to determine if they pass USDA organic requirements before purchasing and using them. Some product that have OMRI or Nat'l List status can lose that standing at any time without notice. We are not responsible for products purchased that can not be used in certified OG operations. Check with your certifying agency for current status on a product. Not all of the products that we sell are registered in every state. It is your responsibility to comply with the laws of your state, check with your state department of agriculture if you are unsure.

PRICES IN THIS CATALOG ARE
SUBJECT TO CHANGE WITHOUT NOTICE.

ORGANIC PRODUCTS

Neptune's Harvest fish hydrolysate is an all organic, highly nutritional protein fertilizer, made utilizing naturally occurring enzymes present in fresh North Atlantic fish. It's produced using a cold process employing enzymes (natural biological catalyst) which break down fish frames (the part left after the fillet is removed for human consumption) to simpler protein complexes. This process is called Hydrolysis.

The only manipulation the product goes through is stabilization with Phosphoric Acid to bring the pH down to 3.5, grinding, and hydrolysis. This process yields a stable, non-odorous, liquid fertilizer that is an easy to use, safe product. The nitrogen in Neptune's Harvest fish fertilizer is derived from fish protein in the form of amino acids which when added to the soil, slowly break down into basic nitrogen compounds. While a percentage of nitrogen becomes soluble due to the nature of the manufacturing process, no inorganic nitrogen has been added.

ORGANIC PRODUCTS

GENERAL FERTILIZERS

GRANULAR

ALFALFA MEAL 3-1-2, 50 LB BAG

ITEM NO.	PRICE
4573	CALL FOR PRICING

Dehydrated alfalfa has a high nutritional value and can be fed to a variety of livestock, poultry and horses.

KELP MEAL (THORVIN), 50 LB BAG

ITEM NO.	PRICE
3570	\$65.00

For soil nutrients: contains 60+ macro and trace minerals, vitamins, carbohydrates, plant growth hormones and a complex of 17 amino acids, nutrients are almost 100% available, can stimulate root development

and plant growth, and helps retain soil moisture and reduces the effects of frost.

CRAB SHELL 2.5-3-0.5, 50 LB BAG

ITEM	DESCRIPTION	PRICE
13018	SHELL	\$43.00
10226	FLOUR	\$42.95

An excellent dry organic source of nutrients including Calcium and Magnesium. It retains moisture in the soil and builds the organic matter. It also gives the roots something to grab onto and wrap around

for a food source, creating a deeper root system. Crab Shell will also keep slugs and snails off and it will help choke out weeds and keep moles, voles, mice, etc from digging up bulbs and root vegetables.

SUPER K, 3-4-7 X 2, 50 LB

ITEM	PRICE
10345 Super K xZ, B, 50lbs	\$29.75

Blended with crab meal for nematode control and high natural potassium required for larger fruited vegetables.

FISH MEAL 8-12-2, 50 LB BAG

ITEM NO.	PRICE
4115	\$87.45

A great natural fertilizer that is high in phosphorus and nitrogen. Fish meal is quick acting and offers a sustained supply of nutrients. Do not scatter fish meal, but plug it in a series of holes 10" deep that can be covered with about 4" of soil, as it has a strong odor.

ITEM	DESCRIPTION	SIZE	PRICE
12225	10-2-8 Coarse Grade	50 LBS	\$37.50
12886	10-2-8 Coarse Grade	2000 LBS	\$1,350.00
13096	13-0-0 Pelleted	50 LBS	\$33.50

See page 15 for Kreher's fertilizer options.

LIQUID

FERTRELL 3-4-3

ITEM	SIZE	PRICE
3792	5 GALLON	\$79.50
3793	1 GALLON	\$24.35

Made with kelp and humates.

LIQUID KELP

ITEM	SIZE	PRICE
4073	1 QT	
3795	1 GAL	
3794	5 GAL	

Not considered a fertilizer because the amounts of Nitrogen, Phosphorus, and Potassium are relatively low, contains growth plant hormones, vitamins, enzymes, and carbohydrates. It's a biostimulant, root system developer, and minor-nutrient deficiency cure. It can be used in conjunction with any water soluble spray. Reduce herbicide use by adding liquid kelp, yet maintain the same kill effectiveness.

NATURE'S SOURCE 3-1-1, 4.7 GALLON JUG

ITEM NO.	PRICE
4565	\$91.75

Ideal for a wide range of crops, promotes rapid nutrient response and hearty plant growth. Contains oilseed extract and has a low salt index. May be used as a foliar mist without worrying about burning or stretch. Mixes easily with cold water and has no strong odor.

NATURE'S SOURCE 10-4-3, 4.7 GALLON JUG

ITEM NO.	PRICE
10407	\$91.75

Contains oilseed extract, a renewable source of plant nutrition. Easier on plants, and on you. Lower in salts than most commonly used water soluble fertilizers and can be used as a foliar mist without burning or stretch. Also

contains amino acids as well as calcium and magnesium to improve the plants' performance.
